

PYTHIANS PREPARED TO WELCOME VICTORS

Elaborate Parade and Reception Will Be Held This Evening.

Everything is in readiness for the elaborate parade and reception this evening by members of the Knights of Pythias and other orders in honor of Washington Pythians, which, with a rating of 97 per cent, won the first prize at the Milwaukee annual camp-meeting recently.

A rousing reception will be tendered the victorious company upon its arrival at the Union Station at 8:30 o'clock to-night, it having been also arranged at a meeting at Pythian Temple last night that the reception membership shall meet at the Temple, forming in line at the station, the Knights and affiliated bodies will march to the Peace Monument by way of F street, New Jersey avenue, B and First streets, swinging up the Avenue and along Fifteenth street to H. They will follow New York avenue and Ninth street, swinging up the Avenue and along Fifteenth street to H. Civic and military bodies of Pythians, the latter composed of J. H. Caldwell Company, No. 7, detachment of Washington Company, No. 1, and the drill team will complete the order of the parade. Col. T. E. Landon will be marshal of this division. W. W. When the Temple is reached the real reception will begin. Besides the presentation of medals of honor and the prize check address will be delivered and a prize check offered. Maj. Richard Sylvester, of Century Lodge, K. of P., will deliver the address of welcome and W. E. Andrews, of Amaranth Lodge, will reply in behalf of the company. Among other speakers will be William F. Gude, president of the Chamber of Commerce; Supreme Representative William F. Boreing and Past Grand Chancellor B. F. McKandless, the latter two being from Baltimore. Many Baltimore Pythians are expected to be in line of march. C. H. Harwood will render a vocal solo. William F. Shelby will recite and Clifford F. Lewis will offer an instrumental solo. Among the out-of-town Pythians who will participate will be Supreme Vice Chancellor Thomas J. Carling, of Mason, Ga.

FAIR AT ROCKVILLE NOW UNDER WAY

Large Crowd Present on Opening Day of Annual Exhibition.

ROCKVILLE, Md., Aug. 30.—For the next four days all roads will lead to Rockville, for the Rockville Fair, the fifty-seventh annual exhibition of the kind, began this morning, to continue through Friday. Ideal weather, fine exhibits, and a good attendance marked the opening, and, if the good weather continues, the ambition of the officials to make this fair the most successful ever held at Rockville will doubtless be realized.

While the attendance today was not as large as is expected the remaining days, the crowd was good for an opening day, and by the time the first race started it was estimated that about 1,500 persons were on the grounds.

The exhibits are unusually fine this year, and every department is full to overflowing. There is a bewildering array of cakes, candies, fruits, domestic manufactures of many kinds, cut flowers, growing plants, dairy products, honey, farm and garden products, horses, cattle, sheep, hogs, and poultry of all kinds.

The judging of exhibits will begin tomorrow morning. This is always an interesting feature, and, as the judges pass around from place to place, besting the exhibitors, the case may be, they are generally followed by large crowds.

Interesting racing programs have been arranged for tomorrow and Thursday, the big days of the exhibition, and the management has provided an abundance of other attractions for the thousands of visitors from this and adjoining counties, Washington city, and other places that are expected to attend those days.

Will Modify Order on Vehicle Lights

In view of numerous protests from business men, the Commissioners have decided to amend the regulation requiring lights on all horse-drawn vehicles appearing on the thoroughfares of the District after nightfall, so as to exempt slow-moving vehicles, such as business wagons, trucks, and drays.

Following the hearing on last Friday, at which a delegation of business men appeared in person to protest against the proposed ordinance, the Commissioners have received a number of letters on the subject. It is declared that the order would work a serious hardship and entail an unnecessary expense on the business men of Washington. The following letter from W. B. Moses & Sons expresses the sentiments of the protestants:

"We wish to enter our protests against the authorities putting into force the rule requiring vehicles of every description to display lights at night."

"It is rarely that a horse-drawn vehicle exceeds seven miles an hour, and in most cases delivery wagons limit the speed to about five miles an hour. In addition to the low speed, there is also the noise from the movements of the horse, which combined with the low degree of speed gives the pedestrian or occupant of other vehicles ample opportunity to avoid danger. Therefore, under the circumstances, we can see no necessity for putting in force the rule so far as it applies to horse-drawn conveyances."

ROCKVILLE WINS AGAIN AT TENNIS

Gaithersburg Players Defeated In All Six Matches of the Day.

ROCKVILLE, Md., Aug. 30.—The fourth of the series of lawn tennis contests among teams representing the larger towns of Montgomery county was played on the courts at the Montgomery Country Club here yesterday afternoon, between Rockville and Gaithersburg, and Rockville scored another victory, taking all six matches of the day.

The Gaithersburg boys, however, played cleverly, and most of the matches were hotly contested and interesting.

Randomly named beat Conter Thompson, 6-3, 6-2. Dr. Fred Henderson beat Dr. Carleton Etchison, 6-2, 6-3. Randolph Talbot beat Edward W. Broome, 6-2, 6-4, and Julian Whiting beat Dr. Bates Etchison, 6-0, 6-4.

In the doubles, Henderson and Mason beat Carleton Etchison and Thompson, 6-2, 6-4, and Talbot and Whiting beat Broome and Bates Etchison, 6-3, 6-4.

DR. CRICHTON FREE UNDER \$5,000 BOND

Washington Fugitive. Must Answer Four Charges in Connection With Death Caused By Auto.

Dr. McPherson Crichton, of Washington, is under \$5,000 bond today to appear before Justice of the Peace H. G. Robertson, of La Plata, Md., on a charge of manslaughter, in having run over and killed Alexander F. Bowie, of La Plata, on August 21 while automobiling. Dr. Crichton waived a hearing.

Dr. Crichton was arraigned yesterday on three other warrants charging him with refusing to stop his automobile on the road between Bryansville and La Plata when signalled to do so; with recklessness in operating an automobile on the same road and with having carelessly run his machine on the road between Cox Station and Bel Alton.

General Wilmer, counsel for Dr. Crichton, demanded a jury trial in each of the three cases, which, however, was refused by Justice Robertson, who maintained that he could grant a jury trial only on appeal. Dr. Crichton was then released on bail.
